MISSION STATEMENT: Using all resources (societal, economic, and natural) in an efficient and equitable manner: Sustainability in Forest Grove means considering long-term environmental, economic and social impacts of our actions. Sustainability prioritizes long-term needs over short-term gains to ensure that resources necessary to sustain life are available now and in the future.

All meetings of the Sustainability Commission are open to the public and all persons are permitted to attend any meeting. The public may address the Commission as follows:

➔ **Public Comment** – Anyone wishing to speak on an issue not on the agenda should sign in for Citizen Communications prior to the meeting. The presiding officer will call the individual or group by the name given on the sign in form. Each person must state his or her name and give an address for the record.

➔ **Consent Agenda** – Items on the Consent Agenda are considered routine and will be adopted with a single motion, without separate discussion. Commission members who wish to remove an item(s) from the Consent Agenda may do so prior to the motion to approve the item(s). Any item(s) removed from the Consent Agenda will be discussed and acted upon following the approval of the Consent Agenda item(s).

All meetings are handicap accessible. Assistive Listening Devices (ALD) or qualified sign language interpreters are available for persons with impaired hearing or speech. For any special accommodations, please contact the City Recorder's Office, aruggles@forestgrove-or.gov, 503.992.3235, at least 48 hours prior to the meeting.
